

**SAVE THE DATE!**

**Thursday, November 20, 2008  
11:00 a.m. – 1:00 p.m.**

**Online Lunch and Learn  
with  
CalRHIO's Safety Net  
Health Information Exchange Grantees**

Featured Grantees:

Community Health Partnership -- learn how a Web-based e-referral application and an enhanced technology infrastructure are increasing access to quality specialty care.

San Francisco Community Clinic Consortium -- learn how the Consortium has expanded the use of the San Francisco Department of Public Health's e-referral application as well as how SFCCC is helping member clinics build HIT capacity.

*Logistics for call will be sent soon. The online session is presented free-of-charge as part of CalRHIO's Blue Shield of California grant to assist Safety Net organizations with health information exchange.*

**Please forward this message to others in your organization or community who should participate.**

Thank you!
