Ho, MD, Deputy Director, Valley Homeless Healthcare Program, Santa Clara Valley Health and Hospital System) 	Presentations and Discussion	11:15 – 12:30 pm
Personal Connections	Buffet Lunch	12:30 – 1:15 pm
Opportunities and Implications: <ul style="list-style-type: none"> - <i>Given the difficulty recruiting and retaining primary care providers, is expanding scope of practice an effective strategy in the Safety Net?</i> - <i>If we adopt expanded scope of practice as a means of improving access to specialty care for our patients, how will we address issues related to provider productivity, scheduling and reimbursement?</i> - <i>What local opportunities and challenges exist in given communities? Are practice boundaries important to the specialists in the community? How can these be addressed?</i> 	Two rounds of 30-minute facilitated discussions on 3 different questions. Each participant will have the opportunity to explore 2 of the 3 questions.	1:15 – 2:30 pm
Reflections, next steps, assessment and closing		2:30 – 3:00 pm
